**Dear Master Naturalists, Master Gardeners, and Lovers of Pollinators,**

Me and my fellow pollinators, the butterflies and moths, the skippers and so many others, are inviting you to our grand estate, The University of Illinois Pollinatorium. We need help maintaining our home for it takes a lot to keep this place going! There's planting, weeding, trimming, pruning and general clean-up. So bring your tools, work gloves, a hat, sunglasses and water to drink.

If you are a Master Naturalist or Master Gardener you can fulfill volunteer hours working here. If not, do it for love! I guarantee, it will be rewarding and we thank you for your support! **Let's get buzzy!!**

**Every Wednesday, weather permitting  
9-11 am  
May 4 through November 30  
Meeting in front of the Pollinatorium Building**

Any week you are able to volunteer, it would be helpful to let us know by the Tuesday night before. Contact Donna Nelson Evans

Thank you!  
Sincerely,  
Hon E. Bee
