Have you heard any of these lines before:

- This is the IRS calling and we need to verify your social security number for ... (whatever reason).
- You are delinquent in your payment agreement so to avoid a court appearance and/or fines, give us your credit card number and we can get this taken care of right away.
- Let us repair your roof. We'll beat any other company's price! Just sign this agreement, give us your check and we'll be back bright and early in the morning to begin work.

Join us to learn about the types of scams that are out there and get suggestions on how to avoid being caught in one.
