Community Partnership and Engagement Program (CPEP)

Chicago Region

A Message from the Director

The Chicago Region is pleased to share its plans for the upcoming census.

We look forward to this opportunity to meet and engage partners in support of our 2020 Census mission: to conduct a census of population and housing and disseminate the results to the President, the states and the American people. **Our goal is to count everyone once, only once, and in the right place!**

We want to share the many opportunities available to be engaged and partner with the Chicago region. With your assistance and support, we will take every opportunity to work in concert with the eight states in the region: Arkansas, Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri and Wisconsin.
