

STUDY OPPORTUNITY FOR PEOPLE WITH COPD AND CAREGIVERS

WHY PARTICIPATE?

Our hope is to better understand the experiences of people living with COPD in the Champaign Urbana community.

WHAT WILL I BE ASKED TO DO?

You will be asked to complete a 40-60 minute telephone or Zoom interview. During the interview you will be asked how COPD impacts your daily life.

WHO IS DOING THIS RESEARCH?

Brett Bergmann is a psychology doctoral student at the University of Illinois, Urbana Champaign. Please contact her for more information about the study.

WHO IS ELIGIBLE?

To participate you must:

1. Have a diagnosis of COPD OR be a caregiver for a person with COPD (currently or within the last five years)
2. Be 18 years or older
3. Have comfort speaking in English

Participants will receive a \$15 Amazon gift card.
