

Their hands have helped so many... help us give back to them this year!

Family Service is collecting items that local seniors have told us they need to cope and stay healthy in this pandemic. Please consider helping with a gift from our list below. Our caseworkers will deliver your gift of cheer in December to last throughout this winter.

Luxury toiletries (lotion, soap, shampoo/conditioner), beauty supplies, gloves, socks, baking supplies, craft items, adult coloring books, colored pencils, Tide detergent, special coffees, chocolates, crossword puzzles, word searches, activity books, greeting cards, stationary/pen sets, light up sticks, air fresheners

Drop your item(s) off to our drop box (just inside the first door) at 405 S. State Street, Champaign, IL 61820 from November 30th through Dec 11th.
