

Seeking Participants

Human Factors & Aging
LABORATORY

I ILLINOIS
College of Applied Health Sciences

This research study has been approved by the University of Illinois Institutional Review Board – Protocol #21985

The Human Factors and Aging Laboratory, housed within the University of Illinois Urbana-Champaign College of Applied Health Sciences, is seeking research participants for an IRB-Approved research study.

Understanding Older Adults' Willingness to Adopt a Health Application

The study will last **2 hours** and will take place at on **Zoom**.

You may be eligible to participate if you are:

- 60 years or older
- Currently have a smartphone
- Willing to use Zoom and have Internet access
- Have a device or computer that is Zoom compatible

The goal of this study is to learn about older adults' perception towards adopting digital health systems. Furthermore, we would like to understand motivators or barriers to adopting new technology.

You will be compensated with a \$25 Amazon Gift Card for your time and effort.
