Senior Home Repair Program

A program of the Champaign County Regional Planning Commission — Serving Seniors Since 1975

Are You Having Problems Getting Basic Home Repairs Completed?

The goal of the RPC's **Senior Repair** program is to help you live in a more physically safe home through reliable and secure entryways, functional bathrooms, and safe cooking areas. We work with local construction, electrical, plumbing, and heating professionals to make sure your home is structurally sound. Our **Senior Services** program receives funding from the City of Champaign and City of Urbana for seniors (62+) and/or disabled households that own their own homes and live within the Champaign or Urbana city limits.

Examples of Minor Repairs Could Include:

- * Plumbing repairs
- * Gutter repairs
- * Installation of dead bolt locks
- * Locks on screen doors or windows
- * Plaster wall repairs
- * Porch repairs
- * Storm door repairs

Repairs of a cosmetic nature—such as painting—are prohibited.

Our focus is strictly on health and safety issues.

Eligibility Criteria

- * You must be a homeowner, with your home located in incorporated areas of the City of Champaign or City of Urbana
- * You must be 62+ or disabled
- * You must meet income and asset guidelines

Services are dependent upon location of residence.

Rental homes are not eligible.
