

Are you 60 years or older?

Have you experienced recent changes in your thinking, memory, or concentration?

Do you have a family member or friend who supports your cognitive needs?

Both you and your family member/friend may qualify to participate in a research study

If interested, contact us at:

(217) 265-0885 or KCH-HFA-ENACT@illinois.edu

ENHANCE is a Rehabilitation Engineering Research Center (RERC) funded by the [National Institute on Disability, Independent Living, and Rehabilitation Research](#) (NIDILRR; grant number #90REG0012-01-00)

IRB #20993
